

MOUNTAIN REGION OF NORTH CAROLINA AND TENNESSEE.

AUTHORITIES.

The mountains and interior valleys between North Carolina and Virginia are principally from a map furnished by Prof. ARNOLD GOULD, the result of his explorations of that region during the summer of 1857, and other sources. The map of the Valley of the Shenandoe is from the "Notes and Observations on the Valley of the Shenandoe," by Thomas M. Smith, Esq., published by J. T. Fowler, Jr., and M. McKim, in 1846. The map of the Valley of the Potomac is from the "Notes and Observations on the Valley of the Potomac," by Thomas M. Smith, Esq., published by J. T. Fowler, Jr., and M. McKim, in 1846. The map of the Valley of the Rappahannock is from the "Notes and Observations on the Valley of the Rappahannock," by Thomas M. Smith, Esq., published by J. T. Fowler, Jr., and M. McKim, in 1846. The map of the Valley of the James is from the "Notes and Observations on the Valley of the James," by Thomas M. Smith, Esq., published by J. T. Fowler, Jr., and M. McKim, in 1846. The map of the Valley of the Roanoke is from the "Notes and Observations on the Valley of the Roanoke," by Thomas M. Smith, Esq., published by J. T. Fowler, Jr., and M. McKim, in 1846. The map of the Valley of the Pamlico is from the "Notes and Observations on the Valley of the Pamlico," by Thomas M. Smith, Esq., published by J. T. Fowler, Jr., and M. McKim, in 1846. The map of the Valley of the Albemarle is from the "Notes and Observations on the Valley of the Albemarle," by Thomas M. Smith, Esq., published by J. T. Fowler, Jr., and M. McKim, in 1846. The map of the Valley of the Cape Fear is from the "Notes and Observations on the Valley of the Cape Fear," by Thomas M. Smith, Esq., published by J. T. Fowler, Jr., and M. McKim, in 1846. The map of the Valley of the Savannah is from the "Notes and Observations on the Valley of the Savannah," by Thomas M. Smith, Esq., published by J. T. Fowler, Jr., and M. McKim, in 1846. The map of the Valley of the St. Johns is from the "Notes and Observations on the Valley of the St. Johns," by Thomas M. Smith, Esq., published by J. T. Fowler, Jr., and M. McKim, in 1846. The map of the Valley of the York is from the "Notes and Observations on the Valley of the York," by Thomas M. Smith, Esq., published by J. T. Fowler, Jr., and M. McKim, in 1846. The map of the Valley of the James is from the "Notes and Observations on the Valley of the James," by Thomas M. Smith, Esq., published by J. T. Fowler, Jr., and M. McKim, in 1846. The map of the Valley of the Roanoke is from the "Notes and Observations on the Valley of the Roanoke," by Thomas M. Smith, Esq., published by J. T. Fowler, Jr., and M. McKim, in 1846. The map of the Valley of the Pamlico is from the "Notes and Observations on the Valley of the Pamlico," by Thomas M. Smith, Esq., published by J. T. Fowler, Jr., and M. McKim, in 1846. The map of the Valley of the Albemarle is from the "Notes and Observations on the Valley of the Albemarle," by Thomas M. Smith, Esq., published by J. T. Fowler, Jr., and M. McKim, in 1846. The map of the Valley of the Cape Fear is from the "Notes and Observations on the Valley of the Cape Fear," by Thomas M. Smith, Esq., published by J. T. Fowler, Jr., and M. McKim, in 1846. The map of the Valley of the Savannah is from the "Notes and Observations on the Valley of the Savannah," by Thomas M. Smith, Esq., published by J. T. Fowler, Jr., and M. McKim, in 1846. The map of the Valley of the St. Johns is from the "Notes and Observations on the Valley of the St. Johns," by Thomas M. Smith, Esq., published by J. T. Fowler, Jr., and M. McKim, in 1846. The map of the Valley of the York is from the "Notes and Observations on the Valley of the York," by Thomas M. Smith, Esq., published by J. T. Fowler, Jr., and M. McKim, in 1846.
